

Registering a product key on Nako through an proxy server

When you open your Time and attendance system for the first time it will ask you to provide a client key and password. This information you can get from any GTAF consultant.

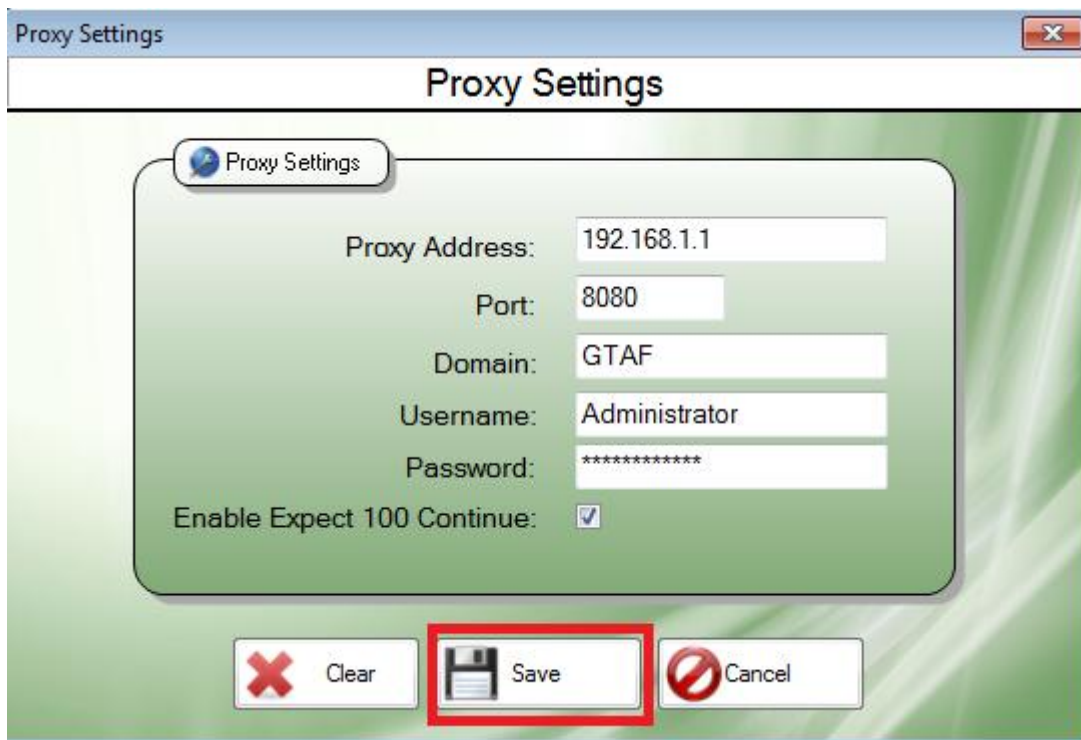

The screenshot shows a dialog box titled "Enter Client Key" with a close button in the top right corner. The dialog is split into two main sections. The left section features the NAKO logo (Time | Integration | Access) and contact information: www.nako.co.za, support@nako.co.za, Tel: +27 51 436 9813, Fax: +27 866 664 352, and Sales: +27 72 767 6238. Below this is the text "powered by" followed by the pylogen logo and www.pylogen.com. The right section has a green background and is titled "Client Key Required". It contains two input fields: "Client Key:" and "Password:". Below these is a checkbox labeled "Use Offline Licence Key...". At the bottom of this section are "Submit" and "Cancel" buttons. A "Proxy Settings" button is located in the bottom right corner of the dialog.

If you have a proxy server that monitors your internet you will have to add the server settings for Nako to be able to communicate with our license server. Click on the proxy settings button.

This screenshot is identical to the one above, showing the "Enter Client Key" dialog box. The "Proxy Settings" button in the bottom right corner is highlighted with a red rectangular border, indicating where the user should click to configure proxy settings.

Now enter all of the proxy details needed for the software to be able to communicate with the internet. After that click the save button.

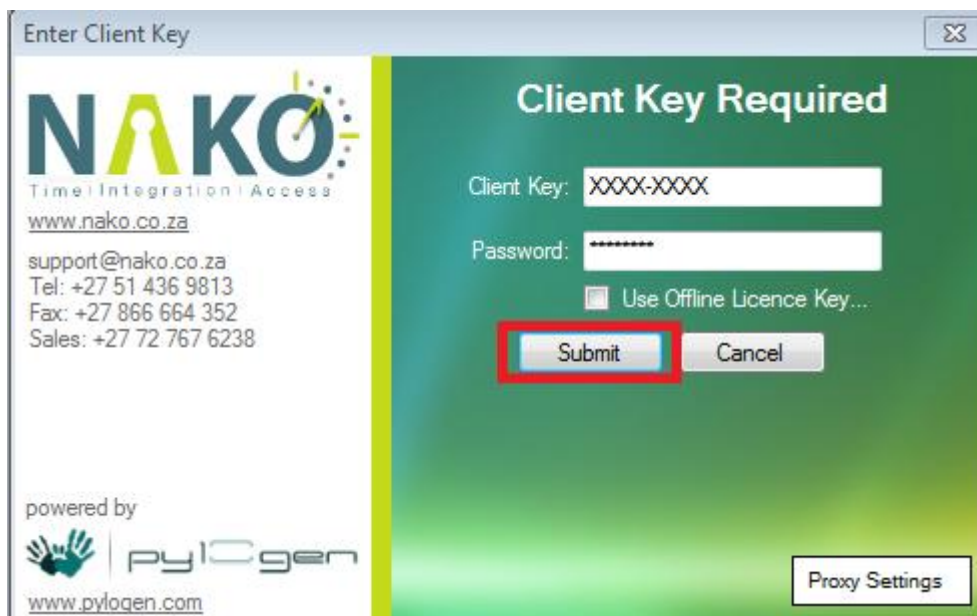

The image shows a 'Proxy Settings' dialog box with the following fields and options:

- Proxy Address: 192.168.1.1
- Port: 8080
- Domain: GTAF
- Username: Administrator
- Password: *****
- Enable Expect 100 Continue:

At the bottom, there are three buttons: 'Clear' (with a red X icon), 'Save' (with a floppy disk icon and highlighted with a red box), and 'Cancel' (with a red circle and slash icon).

Please input the Client key and Password that is provided for your time and attendance system. After you input the details, please click on the submit key.

The image shows an 'Enter Client Key' dialog box with the following fields and options:

- Client Key: XXXX-XXXX
- Password: *****
- Use Offline Licence Key...:

At the bottom, there are two buttons: 'Submit' (highlighted with a red box) and 'Cancel'. A 'Proxy Settings' button is also visible in the bottom right corner.

On the left side of the dialog, there is contact information for NAKO:

NAKO
Time | Integration | Access
www.nako.co.za
support@nako.co.za
Tel: +27 51 436 9813
Fax: +27 866 664 352
Sales: +27 72 767 6238

powered by
pylogen
www.pylogen.com

On the next screen input the password again and provide the system with your name and surname. After that click on the register button.
